Bachelor of Arts | Individualized Major - Technology & Globalization
Overall GPA: 3.65

New York University in Spain | Madrid, ES 01/17 - 05/17
Coursework in Islam in Spain, Spain & the EU, and Immigration

experience.

APPLE | New York, NY 10/18 - Present
Focused on a person centric approach with customers. Building and strengthening the Apple community was my primary goal.

ZED AEROSPACE | New York, NY 04/17 - 04/18
Crafted the user experience on all fronts by utilizing empathy to step into the shoes of our target demographic. Teasers are currently being crafted as ZED gears up for launch.

UP2CODE | New York, NY 05/16 - 10/17
Responsible for the fulfillment of all mobile app & web design contracts. Focused on designs based around user-device interaction and designing from the perspective of the user.

IDTECH | Miami, FL 04/16 - 08/16
Instructed JavaScript, Photography, and Web Design classes for IDTech at UMiami. Known by campers as patient, hands on, and understanding. Known by parents for being personable and making their child feel at home.
